

Model YLFWD-0026

1. Product description

The Yeelight Smart LED Strip YLFWD-0026 is a 1-meter extension for the YLFWD-0025 LED strip.

It allows you to extend the base system to illuminate additional areas.

This extension cannot be used on its own and requires the controller and power supply of the base model YLFWD-0025.

2. Technical data (per lamp)

- Model: YLFWD-0026
- Type: Extension strip for YLFWD-0025
- Operating voltage: via base system
- Length: 1 m
- Color temperature: RGB
- IP rating: IP20
- Safety class: III – Low voltage
- Dimensions: 12 x 3 x 100 mm
- Weight: 410 g
- Connection: Plug-in connection to base system
- Features: Extendable, dimmable, RGB color change, scene control

3. Installation

⚠ Note: This extension kit only works with the Yeelight LED Strip YLFWD-0025.

2. Disconnect the YLFWD-0025 base system from the power supply.

3. Connect the YLFWD-0026 extension strip to the end of the base strip using the included connector.

4. Connect the strip to the controller and power supply of the base system.

5. Restore power.

6. Control the strip via the app – the extension will be automatically recognized.

4. Operation

- Control is exclusively via the base system (controller/app of the YLFWD-0025).
- All functions (on/off, dimming, color change, scenes, music mode) also apply to the extension.
- Multiple extensions can be connected in series (observe the maximum total length).

5. Safety instructions

- Never operate the extension without the base system.
- Use only with the original controller and power supply of the YLFWD-0025.
- Do not bend or damage the LED strip.
- Not suitable for outdoor use unless explicitly marked as IP-rated.
- Disconnect the base system from the power supply before installation or cleaning.

6. Cleaning and maintenance

- Clean only when the device is unplugged.
- Wipe with a dry, soft cloth.
- Do not use liquids or harsh cleaning agents.

7. Disposal

This product is subject to EU Directive 2012/19/EU (WEEE). Please do not dispose of it with household waste. Please take the product to a local collection point for used electrical equipment.
