

# Modell YLTD003

## 1. Product Description

The Yeelight Monitor Light Bar YLTD003 is an LED screen light designed specifically for computer workstations. It attaches directly to the top edge of the monitor and provides glare-free illumination of the desktop without causing reflections on the screen.

Brightness and color temperature can be easily adjusted using the wireless remote control.

## 2. Technical data

- Model: YLTD003
- Power supply: USB-C, 5V DC
- Power consumption: 10W
- Luminous flux: [xx lm]
- Color temperature: 2700–6500 K, adjustable
- IP rating: IP20
- Safety class: III – Low voltage
- Dimensions: 485 × 100 × 161 mm
- Weight: 1000 g
- Mounting: Monitor clip
- Control: Wireless rotary controller / App (model dependent)
- Features: Glare-free design, suitable for monitors of various thicknesses
