Yealink WH64 Hybrid with Charging Stand Datasheet

Yealink WH64 Hybrid with Charging Stand DECT Wireless Headset

The Yealink WH64 Hybrid with Charging Stand is a wireless headset with a DECT dongle for Hybrid working. Due to its integrated DECT and Bluetooth modes, it offers a flexible and efficient solution for multi-connection mobile working in various scenarios. Its advanced acoustic shield technology 2.0 filters out background noise for clear sound transmission. The DECT wireless connectivity technology offers an exceptional call range of up to 150 m, ensuring reliable and uninterrupted communication over significant distances. It connects seamlessly with UC platforms for plug-and-play and device switching. Ideal for clear conversations and a smooth office experience.

Key Features

DECT & Bluetooth Hybrid Wireless Technology

With the innovative dual-mode wireless technology from Yealink, the WH64 Hybrid with Charging Stand headset integrates DECT and Bluetooth signals, allowing for seamless multi-device connectivity across different signal modes. Whether you're in a busy office or on a business trip, this headset ensures clear and professional conversations.

Acoustic Shield Technology 2.0

The WH64 Hybrid with Charging Stand incorporates Yealink's acoustic shield 2.0 technology, utilizing three built-in microphones to automatically block background noise and ensure clear

communication. This advanced feature eliminates interference from various sources, allowing effective communication in busy offices or noisy open work environments.

All-Day-Wearing Comfort

After conducting thorough research and analysis, the WH64 Hybrid with Charging Stand has been meticulously designed, taking into account the principles of ergonomics. Its lightweight design and carefully selected materials provide durability and stability.

Ultra-Long Range Connectivity

The WH64 Hybrid with Charging Stand offers a 150 m DECT wireless connection range for extended connectivity. No matter when and where your conversation begins, the office headsets can always keep up with your steps. In addition, the product supports high-density installation in the open office.
