Discover the ALLNET PrimeOne Android 13 tablet – your gateway to a smart future! Equipped with Google certification, this powerful tablet not only offers a smooth Android experience, but also the assurance that you have access to the latest and greatest apps in the Google Play Store.

Our tablet is specifically designed for the end user who wants to get the most out of home automation and monitoring software. With MDM (Mobile Device Management) support, you retain full control over your tablet and can easily integrate it into your existing system.

Thanks to the innovative PoE (Power over Ethernet) support, the ALLNET PrimeOne Tablet makes installation easier than ever before. With just one cable for data transmission and power supply, you can place your tablet anywhere without having to worry about power sockets.

The conscious decision not to install a battery contributes to even more safety. No more worries about battery failures or replacements - the ALLNET PrimeOne Tablet is always ready to support your home automation and monitoring software in a reliable way.

Google certification ensures not only security, but also a wide range of applications ranging from entertainment to productivity. The ALLNET PrimeOne tablet is designed to simplify your everyday life while delivering the highest performance.

Stay connected with the integrated Wi-Fi functionality. Whether you place your tablet in the living room or in the garden, you always have access to your smart home devices and monitoring systems.

The built-in TeamViewer support allows you to access your tablet from anywhere in the world. This is particularly useful when you are travelling and still want to retain full control of your home automation and monitoring software. Whether you want to control your lighting, temperature or security cameras - the ALLNET PrimeOne

tablet makes it easy and convenient.

Get the ALLNET PrimeOne Android 13 tablet today and experience the future of home automation in your own home. Don't miss out on the chance to make your home smarter and safer - with the ALLNET PrimeOne tablet you are well equipped!
